

SDRT Minors Policy

Thank you for your interest in volunteering with SD Refugee Tutoring.

Our Minors Policy is as follows:

1. Volunteers in middle school or in their Freshman or Sophomore year of high school must tutor together with their parent/guardian at all sessions.
2. Minors in their Junior or Senior year of high school must tutor with a parent/guardian for at least their first 3 sessions. After that, we will determine if the minor is able to tutor on their own. This can be further discussed by emailing us:
sky@sdrefugeetutoring.com
3. **All parents/guardians will also need to follow the [registration steps here](#), including the attendance of a New Tutor Orientation session.**
